

Heironimus & Brugh's,

206 Commerce Street.

SPECIAL SALE THIS WEEK OF 200 PAIRS OF LACE CURTAINS.

In December last, in New York, there was held an auction sale of Lace Curtains, manufactured in Great Britain, and representing the stocks in the hands of their selling agents in this country. The financial condition of the country at that time and the almost impossibility to realize cash on values of any description anywhere near their intrinsic worth made this sale conspicuous for the very low prices at which they were sold. We obtained from this sale

200 Pairs of Lace Curtains,

and are now offering them at just

ONE-HALF FORMER PRICES.

SEE THEM. They are as follows:

30 pairs of Lace Curtains, 3 yards long, full width, at 75c a pair; worth \$1.50.
30 pairs of Lace Curtains, 3½ yards long, full width, at \$1 a pair; worth \$2.
30 pairs of Lace Curtains, 3¾ yards long, full width, at \$1.25 per pair; worth \$2.50.
30 pairs of Lace Curtains at \$1.75 per pair; worth \$3.50.
30 pairs of Lace Curtains at \$2.25 per pair; worth \$4.50.
30 pairs of Lace Curtains at \$2.75 per pair; worth \$5.50.
25 pairs of Lace Curtains at \$3 per pair; worth \$6.

The above represents the entire stock of these goods. After they are closed there can be no more.

WE ADVISE QUICK PURCHASES.

HAS NO GREATER

CHARMS

For the savage than have beautiful pictures and looking-glasses for the Simian family. Admiration is an inherited instinct, but it exists in all the higher animals, not only in man, but in the monkey also. But such photographs of the World's Columbian Exhibition as are published in

"THE MAGIC CITY"

Are charming enough to move all creatures to manifestations of unbounded, ecstatic delight. One of the greatest men in our country was asked the other day: "What is the most beautiful and praiseworthy thing you have seen in connection with the World's Fair?" He answered instantly:

"Why, 'The Magic City' Portfolio of Photographs, because it perpetuates the Fair in all its grandeur and completeness."

He answered truly and could not have said less, for photography and printers' ink never before produced anything so

CHARMING AND INSTRUCTIVE

As this bewitching publication. It embraces in its 300 views every display and attraction that interested the 25,000,000 visitors. It is, therefore,

A Pictorial Panorama of the Exposition . . . and Midway Plaisance,

While appended to each picture is a historical explanation that conveys all the information desired. The original photographs of these 300 views would cost the purchaser \$500. We furnish them in a series of sixteen parts, nicely bound in an illuminated cover, upon the terms and conditions below.
